OFA POINTS OF PROCEDURE

- All documents should be scanned and emailed to the Faculty Affairs intake email (facultyaffairs@gsu.edu) with the exceptions of official transcript and foreign credential evaluations. Hard copies risk being delayed due to travel times and lack of accurate tracking mechanisms.
- Documents should only be sent through one channel for each transaction. Do not send hard copies after emailing a scanned version and vice versa (with the degree transcript being the lone exception).
- All questions about this procedure should be directed to the Office of Faculty Affairs. If you aren't sure, please ask!

Questions, comments, and concerns should be directed to:
